The peaceful enjoyment of our park and its facilities by all visitors is important to us. Please assist by being considerate to your neighbours and restrict noise from radios, televisions and social gatherings after 10pm at night and before 6am.

Your Site

Please keep your site tidy and use the facilities provided for drying clothes, discharge of sullage water and rubbish disposal. Please do not dig trenches on or around your site. Unfortunately no open fires are permitted under local law.

Securing your Site

While Park Managers do their best to ensure a safe and secure environment, we do recommend that visitors to Batemans Bay Beach Resort take the precaution of securing items of value inside and outside their tent, caravan or cabin during the day and overnight.

Vehicles

The safety of our guests is of prime importance. You can assist our cause by limiting the speed of your vehicle to

10 kilometres (walking pace) whilst within the Park. Please ask your visitors to park their vehicles outside of the park, as only one vehicle per site is allowed.

Boom Gates

This facility is for your security. To assist Park Management please follow directions and do not issue your boom gate number to any other persons.
