

BATEMANS BAY BEACH RESORT

NEWSLETTER

MARCH
2009

February/March have proven to still be a very busy time for us here at the park, with a lot of caravanners still travelling around. We have also been booked out most weekends with families & couples in all of our accommodation.

We held a Valentines Day celebration on the 14th, which was very successful with raising money for the Victorian Fire Appeal, thank you for every one's support—every one loved the pancakes & Champagne! Yummy...

We have now demolished our camp kitchen & recreation room, we are in the process of building a new one which will be larger in size. We hope to have it up and running by mid April.
